

Chartered Transportation Liquor License Information

On July 1, 1996 a law was enacted regarding alcoholic beverage consumption on chartered transportation services traveling in and through the State of Wyoming. The law reads as follows:

12-2-202. Sales by railroads and chartered transportation services; limited transportation liquor license fees; chartered transportation services defined.

- (a) The commission may authorize sales by railroads and by any charter transportation service. Under the authority of a limited transportation liquor license, railroads and chartered transportation services may sell alcoholic liquor or malt beverages when moved into and through the state in dining cars, club cars, observation cars and pullman cars attached to trains or in the passenger compartment of a chartered transportation vehicle. Upon application, the commission may issue a limited transportation liquor license for each scheduled train or chartered transportation vehicle upon which alcoholic liquor or malt beverages are to be sold, subject to the following terms and maximum fees:
 - (i) A license valid for one (1) twenty-four (24) hour period at a fee of not to exceed one hundred dollars (\$100.00). Any applicant may be issued more than one
 - (1) license under this paragraph during any one (1) calendar year;
 - (ii) A license valid for one (1) year at a fee not to exceed one thousand dollars (\$1,000.00).
 - (b) It is unlawful to sell alcoholic liquor or malt beverages on railroad cars or chartered transportation vehicles without a limited transportation liquor license required by this section.
 - (c) As used in this section, "chartered transportation service" means "contract motor carrier" as defined by W.S. 31-18-101(a)(x)(A).

31-18-101. Definitions.
