**Title 12, State of Wyoming Alcoholic Beverage Control Laws**

**12-2-201. Wholesale license for sale of malt beverages only; fee.**

(a) Except as otherwise provided in paragraph (ii) of this subsection a wholesale license authorizing the sale of malt beverages only may be granted by the commission to microbreweries and malt beverage wholesalers resident within this state. Wholesale licensees have the exclusive right to sell malt beverages at wholesale. Any qualified person desiring a wholesale license shall apply to the commission on forms to be provided and pay a license fee of two hundred fifty dollars (\$250.00) annually in advance. A wholesale license issued under this subsection shall be subject to the following:

(i) Except as provided in paragraph (ii) of this section, no brewery or malt beverage importer may have any legal ownership interest, in whole or in part, in the license, business, assets or corporate stock of a licensee under this subsection;

(ii) The commission may issue a temporary wholesale license under this subsection to a brewery or malt beverage importer if a current licensee who has been granted distribution rights for a brand in a designated sales territory is unable to service the territory as a result of the loss of his license, bankruptcy or insolvency, and the loss of license, bankruptcy or insolvency is not the result of action by the brewery or malt beverage importer that is prohibited under the franchise agreement. A temporary license under this paragraph may be issued for a period not to exceed one (1) year and shall be limited to the sale of products in the designated territory;

(iii) Nothing in this subsection shall be interpreted to impair any contract between a brewery, malt beverage manufacturer or malt beverage importer and a distributor.

(b) Each applicant shall submit to the commission a statement under oath designating clearly the geographical territory within which the applicant will sell and deliver malt beverages to qualified retail liquor and malt beverage licensees or permittees only. The territory is to be that designated by the brewer or brewer's authorized agent whose product the applicant sells. The application shall state that malt beverages sold by the applicant may be purchased by all retail liquor licensees or malt beverage permittees, and that the applicant will maintain a warehouse and delivery facilities within the territory designated. This subsection does not apply to a licensed malt beverage wholesaler when there has been no territorial designation of a brand by a brewer or the brewer's authorized agent to another licensed wholesaler. The commission may authorize a licensed wholesaler to annually purchase not more than one hundred fifteen (115) gallons of any unassigned brand. A retail liquor licensee or malt beverage permittee shall purchase all malt beverages for retail sale only from a Wyoming wholesale malt beverage licensee.

(c) A malt beverage wholesaler may sell to or purchase from another malt beverage wholesaler only those products the purchasing wholesaler is licensed to sell within his designated territory. A copy of the invoice of the transaction shall be submitted to the Wyoming liquor commission by the seller. State excise tax shall be reported and paid by the licensed malt beverage wholesaler who has imported the products into the state.

(d) The commission may grant the number of licenses it deems appropriate and at points within the state as it may select.

(e) All Wyoming breweries and all malt beverage wholesalers shall be under the direct supervision of the commission and subject to all the provisions of this title and the rules and regulations of the department.

(f) Nothing in this section limits the commission's exclusive authority to wholesale alcoholic liquors.

(g) Notwithstanding W.S. 12-2-203, the commission:

(i) May authorize the sale of products of a microbrewery for off-premises sale through existing licensed wholesale malt beverage distributors according to W.S. 12-2-201 and subject to W.S. 12-2-304, 12-3-101 and 12-3-102; and

(ii) Shall assess to the microbrewery a fee not to exceed two hundred dollars (\$200.00) for the off-premises sale of microbrewery products;

(iii) The commission shall not grant a license for a brewery and a microbrewery to the same producer.
