To Whom It May Concern:

RE: Importation of alcoholic liquors of US Military Members from overseas assignments

Alcoholic liquors may be imported into Wyoming by military personnel for personal use, i.e., beer, wine or spirits collections. There are no restrictions on quantity, type of or alcohol percentage. Of course there is the 21 years of age requirement.

The only requirement is that the proper excise and use taxes must be submitted to the State of Wyoming. The process is quite simple. A Wyoming Consumer Liquor Excise and Use Tax Remittance Form must be completed and submitted with payment to the Department of Revenue, Liquor Division. A current copy of Wyoming's Alcoholic Beverage Control Laws (Title 12) and the Rules and Regulations of the Department of Revenue, Liquor Division (Chapter 20) are available on our website at <http://eliquor.wyoming.gov> under the heading Liquor Distribution Division. The tax form is attached below.

I hope I have answered your questions. If I can be of further service, please feel free to contact me at your earliest convenience.

Sincerely,
